Dear Valued Customer,

We are excited to start our ARROWCYCLE program and we thank you for being our partner.

Starting now we will be collecting all your recycle material mixed together. You will not need to separate anything or bag anything. Please put all of the following inside your recycle container:

NEWSPAPER – Print, ad inserts, flyers, etc.

MAGAZINES – Glossy paper and catalogs.

OFFICE PAPER – White and colored paper, junk mail, etc.

No self-adhesive note paper, paper towel or tissues.

CORRUGATED CARDBOARD – No food boxes with food stuck to it.

BOXBOARD – Includes cereal, beer and pop cases.

No waxed or plastic lined boxes.

TIN CONTAINERS – Rinse clean.

ALUMINUM – Rinse clean. Food and beverage containers, foil, and pie tins.

PLASTICS #1 - #7 – Rinse clean. No motor oil or windshield washer solvent bottles.

GLASS CONTAINERS – Rinse clean. No windows or china.

We received a lot of feedback from our customer survey and we thank you all for that. In the feedback we have found that there are a wide variety of sizes and kinds of containers that would like to be used. In order to accommodate everyone's request, we decided to allow you to put your recycle material in the can that works best for you. You can use any garbage can or bin you have, up to a 45gal capacity. If you currently do not have a receptacle to put your recycling in, you may purchase a bin or a garbage can from your local retailer. Please remember, the container needs to be 45 gallons or less, and weigh no more than 50lb, so that the driver is able to lift it into the truck.

In order to designate your recycle container as RECYCLING, you will find an ARROWCYCLE sticker enclosed with this letter. All you need to do is put the sticker on the bin or the can you are going to use for recycling. On your pick up day, put the container at the street with the sticker facing the street so that our route drivers know it is recycling. If you need additional stickers, please contact our office and we will mail them to you. You are able to use more than one bin or can if you need to at no additional charge.

An additional recycle container option we are offering is the rental of a 96gal cart for \$3.00 per month. If you wish to rent a 96gal cart, please call our office and we will schedule one to be delivered.

Your recycling will still be picked up **every other week** and will stay on the same schedule that you are on now. Further information is available on our website or you can call our office at 616-748-1955 to talk to a recycling expert.

Thanks,

The Green Team at Arrowwaste
